2012 Nevus Outreach Conference and Reunion

July 4 - 7 • Dallas, Tx

Join us at the 2012 Nevus Outreach Conference and Reunion!

Whether you are a newcomer or a returning attendee... an adult, teen or child with a giant nevus... a parent, spouse, or sibling, friend or relative of a person with a giant nevus... whether you are completely comfortable in your skin or could maybe use some answers or a bit of support... there is something for you at the 2012 Nevus Outreach Conference and Reunion!

Conference Sessions

Apart from inspirational keynotes and excellent educational sessions, this year will provide lots of opportunity to discuss real life issues. In addition to gaining tips on how to deal with certain situations, this is an opportunity for you to help others by sharing how YOU navigate life and deal with different scenarios!

Events for Families, Kids and Teens**

Family events will include a **Texas 4th of July Barbecue** and games, a **Pool Party**, a **Pasta Night & Talent Show**, as well as the exciting, **semi-formal Dinner & Dance Party**. Kids ages 8-12 will enjoy field trips to the **Sea Life Aquarium** and **Legoland**, while teens will experience the **'Main Event'** (laser tag, bowling, arcade games, etc.) and **Six Flags Over Texas Theme Park**. There will be beauty/spa events, a soccer clinic taught by Camilo Casal (an ex- soccer player who played for fifteen years in Spain's Premiere League); **"Scout Camp"** and many more exciting adventures. There will also be more 'down time' to just relax and get to know other families or explore the Dallas/Fort Worth area.

(**subject to change)

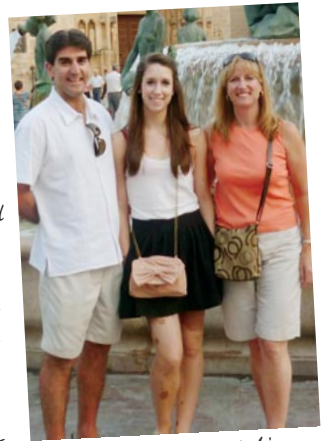

A Personal Note:

My family has attended every one of the nevus conferences since the first one in 1998. Our daughter, Whitney, who was born with a giant bathing trunk nevus and lots of satellites, was just five years old at the first conference-- now she is 19 and is a dance major at the University of the Arts in Philadelphia! The support that my husband and I have gained from the conferences has helped us through many moments of indecision and worry. And even though our daughter has never really endured any teasing or discomfort, I have no doubt that being around all the other kids and adults with giant nevi has played a huge role in her strength, poise and confidence.

Nevus Outreach and the conferences have given so much to my family in the way of fun, education and friendships. Now, we truly hope that the 2012 conference will be one of the most fulfilling experiences of your life.

As you can imagine, it takes a huge commitment of money and resources to offer International Conferences every other year. While we work to keep the costs as low as possible, these conferences, and the services offered by Nevus Outreach, would not be possible without the generous support of our wonderful sponsors and donors.
